

**Love trumps hate.**

No matter who you are,  
**You are a part of *this* America.**

Your voice is valued,  
Your culture is welcome.

**Don't let voices of hate triumph.**

**Be *kind* to one another,**

**...to your *friends*...**

**...to a *stranger*...**

**...to *someone different* than you.**

If you see something wrong,

*Don't observe.*

**Act.**

*"True patriotism hates injustice in its  
own land more than anywhere else."*
